

Centennial Crossing Google Groups Access and Directory

It is highly recommended that each Centennial Crossing resident provide at least one household email address to sign up for our Google Groups email distribution list. This is the primary form of communication between the CCHOA board and residents. It also allows for an easy way for residents to communicate with the community. It is a closed group that you can choose to opt-out and remove yourself from at any time. Once you are signed up to the google groups email address you will be able to receive from and send messages to

Centennial-Crossing@googlegroups.com

Sending messages to the google groups email address will go to all CCHOA residents.

Periodically we will also try to update and provide a resident directory. Please indicate also if you would like to be included. Information for both the google groups and resident directory are for residents only and not shared with outside solicitors

To email the CCHOA board only please use ccrossingcommunications@gmail.com
